## The Meridian Family Fuel Plan

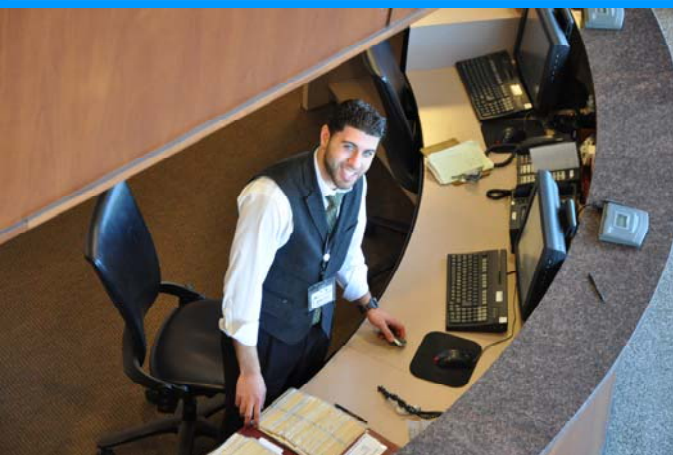

## The Meridian Plan:

For over six decades, it has been Meridian's mission to be your full-service, Teterboro Headquartered, aviation services company— supporting you by adding value to your operation. In 2010, Meridian Teterboro continues its commitment to serve, by instituting The Meridian Family Fuel Plan. Realizing that smaller charter operators do not always benefit from volume fuel purchases, the Meridian Family Fuel Plan allows operators, such as yourself, the purchasing power previously only offered to the larger fleets. The program structure is simple: maximize the buying power of smaller charter operators by uniting them—regionally.

Now, through The Meridian Family Fuel Plan, everyone who walks through the Meridian doors can feel well cared for (like family!) and confident in your FBO selection here in the New York City Metropolitan area.
